

Application for Chapter Name Change

Submit completed application to chapters@himss.org

- The Application for Chapter Name Change specifies the name by which an existing chapter will be identified, by more clearly defining the members served (geographic area).
- HIMSS chapters requesting a name change must adhere to the policies for selecting a chapter name and for changing a chapter name.
 - The chapter's name may not duplicate an existing HIMSS chapter's name, nor may it cause confusion with an existing HIMSS chapter.
- HIMSS chapter name changes are subject to the approval of HIMSS staff
 - Submission of the application does not ensure approval of the chapter's proposed name.

Has the Chapter Board of Directors approved the proposed name change?
